Mr Jocko Maxwell  
70 Hartford St.  
Newark N.J.

Dear Jocko:

Please pardon my delay in writing you, but I have been unable to get to it until now.

I am enclosing a check for services rendered to date. This will be the last one, as I do not feel able to include the service in my budget. We are not drawing as well as we expected, which I think is due to the fact our fans are not working on the whole.

I will contact you when I feel able to ask you to do some extra work for me. I will ask Butts to continue sending you information about the club which you may be interested in using on your broadcasts.

I will call you for a talk the first chance I have.

Very Truly Yours
